

Volunteer Feedback

Years with Organization:

Volunteer Roles (past and present):

Skill Set:

How long have you been volunteering for this organization?

Do you plan to volunteer in the future? How often would that be if you had unlimited time?
What's realistic?

What about our organization makes you not want to come back to volunteer?

Likewise, what keeps you coming back?

After spending time with our organization, how has your perception changed?

If you had to describe our mission to a friend who had never heard of our organization,
what would you say?

What could we be doing to help you succeed as a volunteer?

What other information do you feel like we've left out?
